Dear Motor Carrier:

The following USDOT identification number has been assigned to your company:

463682

The USDOT number needs to be marked on your commercial motor vehicles as required by Section 390.21 of the Federal Motor Carrier Safety Regulations (FMCSR). A copy of this regulation is enclosed. All commercial motor vehicles operated in interstate or foreign commerce must be marked with a USDOT number. Those vehicles marked with an ICC MC number as of July 3, 2000, must display a USDOT number by July 3, 2002. The marking requirements assure submission of accurate data to our agency by enforcement personnel and assist the general public in identifying a particular commercial motor vehicle.

For-hire motor carriers requiring operating authority may obtain an application by calling (202) 358-7000 or by accessing the following internet website:

<http://diy.dot.gov>

Regulatory information may be obtained from the Federal Motor Carrier Safety Administration website:

<http://www.fmcsa.dot.gov>

If you receive more than one of these letters referencing different USDOT numbers, please contact the office shown below to determine which number is most appropriate. This office can also be contacted for any questions you may have about regulatory compliance:

David B. Martin
826 Federal Building
Austin TX 78701-

Please be aware that failure to comply with the FMCSR could result in additional roadside inspections of your company's equipment and a compliance review by one of our Safety Investigators.

If this letter is received at a location other than your principal office (e.g., a terminal or an area office) the letter should be forwarded to your principal office. If there has been a change in your motor carrier operation name or principal office address, please correct the information at the top of this letter and return it to the office shown above (after noting your USDOT number).

Thank you for your cooperation.

Sincerely,

Terry Shelton
